

How to Add Quizzes and Surveys to a Course

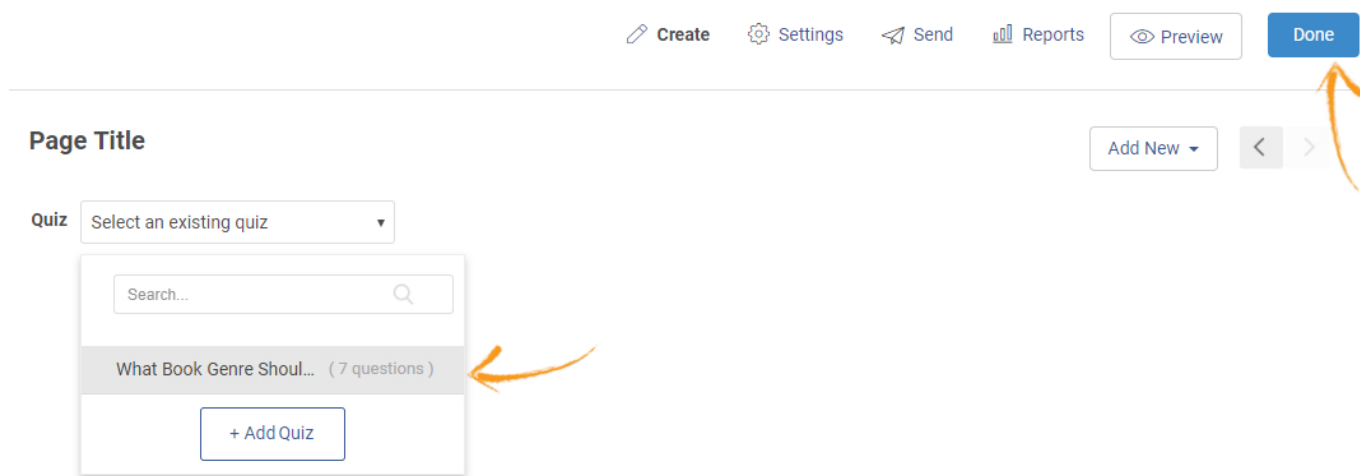

Video About: [How to Create an Online Course in 5 Min | Easy Online Course Builder](#)
[Quizzes](#) and [Surveys](#) provide you with a fantastic opportunity to test the progress of your learners and they also help in accessing the effectiveness of the course you've created.

Here's how to add a quiz or a survey to your online course:

Step 1: On the editor, go to **Add New** and choose from the options that you want to add. For example, select **Quiz**.

Step 2: Select the quiz you want to add. When you've added the quiz, click **Done**.

Step 3: The added quiz appears like this.
